

Parasites

Often Mis-Diagnosed

- Amebiasis for Crohn's Disease
- Roundworm infection for peptic ulcers
- Food allergies, Irritable Bowel & lung problems have all been found to have parasitic causes

Dietary Suggestions:

- High fiber diet – raw vegetables, whole grains
- Eat garlic, ginger, onions, raw pumpkin seeds (¼ to ½ cup daily with 8 oz. water)
- Avoid sugar, refined carbs, fruits, pork – worms thrive on sugar
- For tapeworms – fast 3 days on raw pineapple – bromelain destroys tapeworms
- For pinworms – eat bitter melon 1-2 a day for 7-10 days – repeat in 2 months to ensure infestation has not returned
