★ Oxidation level less Than 75% of CRN standard
★ PCB levels less than 50% of CRN standard
★ Dioxin levels less than 50% of WHO standard

*CRN (Council for Responsible Nutrition), WHO (World Health Organization)
• A dietary supplement to support cardiovascular function and skin and hair health.

OMEGA 3D II is a blend of non-GMO natural oils from Fish that combines the health benefits of Omega 3 and Vitamin D3. It is a comprehensive “multi” fatty acid supplement that is rich in EPA, DHA and Vitamin D3.

• It provides a healthy balance of essential fatty acids that are critical to total body health. These fatty acids play a vital role in the structure of cell membranes, healthy hair and skin, and support cardiovascular, nerve, neurological and immune system functions.

• It also provides the desirable ratio of Omega 3 to Vitamin D3 for more efficient and beneficial prostaglandin production.

• Recommended for:
  • Cardiovascular health
  • Hair and skin health
  • Support of blood pressure within normal ranges
  • Vascular integrity and cardiovascular health
  • Healthy nervous system and organ function
  • Joint and bone health and comfort
  • Gastrointestinal, respiratory, and immune system health
  • Support of hormone balance within normal ranges

Omega 3D II is a rich source of Omega-3, including Eicosapentaenoic Acid (EPA) and Docosahexaenoic Acid (DHA), combined with D3.

Independently third party tested for mercury, PCB, and dioxins.

• Daily supplementation with EPA, DHA and D3 is the best way to ensure that you receive the health-protecting benefits of fatty acids and D3.
